If you have concerns regarding aspects of your treatment or care, or would like more information, please feel free to contact us. Our Values Statement emphasises our desire to provide the best information and care for you, our client.

Sometimes our care may not be what you expect. If this occurs, we encourage our clients to contact our Medical Director Dr Kirsten Small or IVF Nurse Denise Donati.

So that any concerns can be addressed in the appropriate manner.

OUR VALUES

Fertility Solutions is dedicated to the highest standards of clinical care for people concerned about their fertility. We will maintain an international reputation for excellence in assisting people to achieve their aim of having a healthy child and for developing and promoting knowledge about disorders of human reproduction. Fertility Solutions is dedicated to the values which include:

- Promotion of the best practices in reproductive medicine.
- Promoting relationships of the highest standard; and
- A commitment to a multidisciplinary team approach.
